Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the documents on the attached listing and cited in the international search report. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits for the above-referenced application

Copies of the listed foreign and non-patent literature documents are attached.

Copies of the U.S. patent publications are not enclosed.

Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The following documents are cited on the attached form and are in a language other than English:

1. Japanese Utility Model Application Laid-open No. 1-173614 (1989). An English-language translation of this document is enclosed.

2. Japanese Patent Application Laid-open No. 8-313261 (1996).

3. Japanese Patent Application Laid-open No. 3-154821 (1991).

In lieu of a statement of relevance or translation of non-English documents 1-3 above, enclosed is an English language version of the international search report from the Japanese Patent Office in the PCT international application from which this application is derived, citing these documents and setting forth the relevance thereof. An English-language abstract of documents 2 and 3 above is also enclosed.

4. Japanese Patent Application Laid-open No. 2003-065791 - The relevance of this document is discussed at pages 2 and 6 of the specification of the present patent application.

5. Japanese Patent Application Laid-open No. 2003-042766 - The relevance of this document is discussed at pages 2 and 5 of the specification of the present patent application.

6. Japanese Patent Application Laid-open No. 10-132568 - The relevance of this document is discussed at pages 3 and 5 of the specification of the present patent application.

7. Japanese Patent Application Laid-open No. 61-147104 - The relevance of this document is discussed at pages 3 and 5 of the specification of the present patent application.

8. Japanese Patent Application Laid-open No. 62-255814 - The relevance of this document is discussed at pages 3 and 5 of the specification of the present patent application.

9. Japanese Patent Application Laid-open No. 8-105745 - The relevance of this document is discussed at pages 3 and 5 of the specification of the present patent application.

10. Japanese Patent Application Laid-open No. 2003-035010 - The relevance of this document is discussed at pages 3, 5 and 6 of the specification of the present patent application.

11. WO 2004/003476 - The relevance of this document as discussed at pages 18 and 20 of the specification of the present patent application. This document also corresponds to U.S. 2005/0256673.

12. Japanese Patent Application Laid-open No. 3-048713.

13. Japanese Patent Application Laid-open No. 64-046610.

An English-language abstract of documents 2-13 above is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicant

reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
